

# 2006 Oakridge Gewürztraminer Columbia Gorge

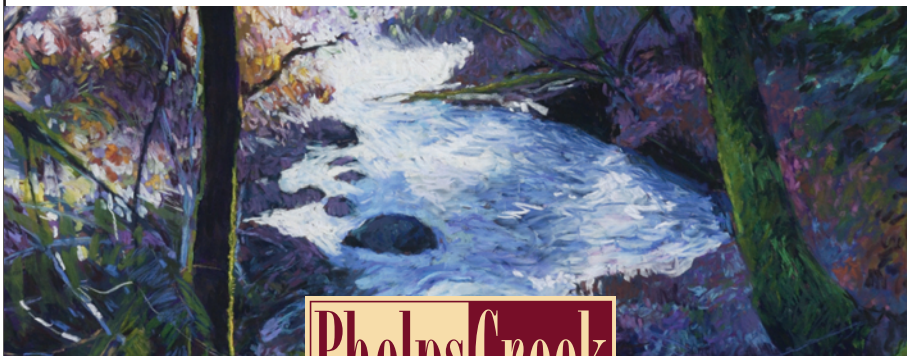

"Gloriously perfumed, this mixes scents and flavors of citrus rind, expensive soaps and sweet spice. It does not become as oily and dense as some Alsatian Gewürz, but it could be a distant, gentler cousin of the great ones." ~ Paul Gregutt

~ 90 pts *Wine Enthusiast*, February 2008 - "A Best Buy"

A very versatile wine delicious with a wide range of foods from spicy Thai or Indian curry to Alsatian onion tart.
