2019 Phelps Creek Chardonnay Columbia Gorge

WINEMAKER COMMENT

We utilize fruit from both our estate in Oregon and the Jones property on Underwood Mountain in Washington. The high altitude growing of the Jones estate brings bright acidity, while the Phelps Creek estate fruit layers spice and depth. Aged in both French and Hungarian oak barrels.

PHELPS CREEK VINEYARDS

The most westerly vineyard on the Oregon side of the Columbia Gorge AVA, Phelps Creek is nestled amongst the foothills of Mt Defiance at 1200 feet elevation. Established in 1990, our small boutique winery focuses on estate grown Pinot Noir and Chardonnay varietals, annually producing 5,000 cases of wine in total. Vineyard care takes center stage in our wine production, where sustainable agricultural practices combined with careful management of the fruit yields on the vines lead to the noted luxurious intensity within our bottle.

VINTAGE

The 2019 season began in the early days of May, this warmer than average spring was followed by a slightly warmer than average Summer; but beautifully cool Fall. Harvest began late September with ideal conditions of sunny skies, cool days, and cold nights—allowing the fruit to ripen incrementally. Ultimately the vintage allowed for plenty of hang-time and a luxurious crop of Chardonnay.

WINEMAKING NOTES

Phelps Creek Chardonnay is a combination of Dijon, Wente and Davis clones. Harvesting first from our estate, the fruit is full cluster gentle pressed, then élevage in 10% new French Oak barrels to enhance texture. The second picking is slightly later as the high elevation fruit is slower to ripen. In barrel, the wine undergoes Bâtonnage and Malolactic Conversion to approximately 50%.

TASTING NOTES

A light yellow and gold hue, aromas of citrus, apple and white melon. The cool climate cultivation results in beautiful acid balance, while volcanic soils add spice and mineral elements. A well rounded, balanced wine.
