# WINE COUNTRY **EXPERIENCES**

**"Making my birthday one  
of the best ever!"**

*My daughters took me for a special day at Phelps Creek Winery for a tour and wine tasting for my birthday. Lynette made it a day the three of us won't soon forget! The weather cooperated with blue skies and Mt. Hood visible in all its glory.*

*The vineyards were full of grapes and beautifully manicured. Our afternoon exploring, sampling, learning about the winery's history, and culminating with sitting on the patio for local cheese, fruit, and hazelnut pairings with the incredible view and spectacular wines was just magical. Our tour included two couples from Kansas and Oklahoma and we thoroughly enjoyed their company.*

*Thank you Phelps Creek Winery and Lynette for making my birthday adventure one of the best ever! On the scale of 1-5 this was a 10!*

**This summer, let's make some memories that last a lifetime.**

Remember when summer was about being carefree, breezy days that drifted by and amazing food shared with even more amazing company?

Well, those days are back.

Grab a few friends or family members ("they're in town, what are we gonna do?!") and join us for an afternoon on our vineyard soaking up the stunning views of Mt. Hood while sipping delicious Columbia Gorge wine.

Here's what one of our past guests had to say about their visit:

*"Thank you so much for the wonderful afternoon! My wife and I, with our friends, had a fantastic time and it far exceeded all of our expectations for a wine tasting/tour. For now we will enjoy the wine at home but we will be back!"*

Drew Rickman

Even better, since you're a Friends of the Vine wine club member... both of **our Wine Country Experiences are complimentary as one of your membership benefits.**

That's right! FREE. OF. CHARGE.

On page 4, I'll guide you on how to use promo codes to book your experiences.

*P.S. It's super easy.*

But remember, **the season is only May - Oct.** And often as quickly as the summer comes... it goes. So better start making plans before it's too late!

Together, let's create some fantastic new memories this summer that you'll cherish forever. *Cheers!*

### **Why are there 2 separate experiences in my account?**

As a *Friends of the Vine* club member, you receive the annual benefit of two different complimentary experiences with the ability to book on two different days. Our team members will redeem the appropriate experience from your account on the day-of your visit.

### **Can I gift my experiences?**

Of course! We know that not all our club members will have the opportunity to visit our vineyard between May - October. If you cannot visit and would like to gift an experience to a friend or family member instead, please follow these instructions:

#### ***Gifted Instructions:***

1. Book experience under the Wine Club Member's name, so that we can track the complimentary benefit under your wine club account.
2. After you click "Submit" when booking, you will be prompted to input any additional information. Please include your lead guest's name here, if you are gifting an experience.

### **Can children or guests under 21 years old attend?**

Guests must be 21 years and older to taste any of our wines. But if you have a child or minor, please reach out to me at [wineclub@phelpscreekvineyards.com](mailto:wineclub@phelpscreekvineyards.com) and we'll find the best experience for your individual needs!

### **Can my dog visit the vineyard?**

Unfortunately, no. Since it is a working farm, we do need to have control over the specific animals visiting the vineyard. Dogs are welcome every day at our Tasting Room though!

**Please note:** If you are assisted by an ADA Service Animal, please reach out to me at [wineclub@phelpscreekvineyards.com](mailto:wineclub@phelpscreekvineyards.com) and we will work together to create the best and safest accommodations.

### **Will my experience be private?**

Please let us know if you'd prefer it to be private. We are happy to make accommodations if we have the availability. But often our club members find they've made brand new friends with the other guests on the tour. I mean, we've already got one thing in common... loving wine!

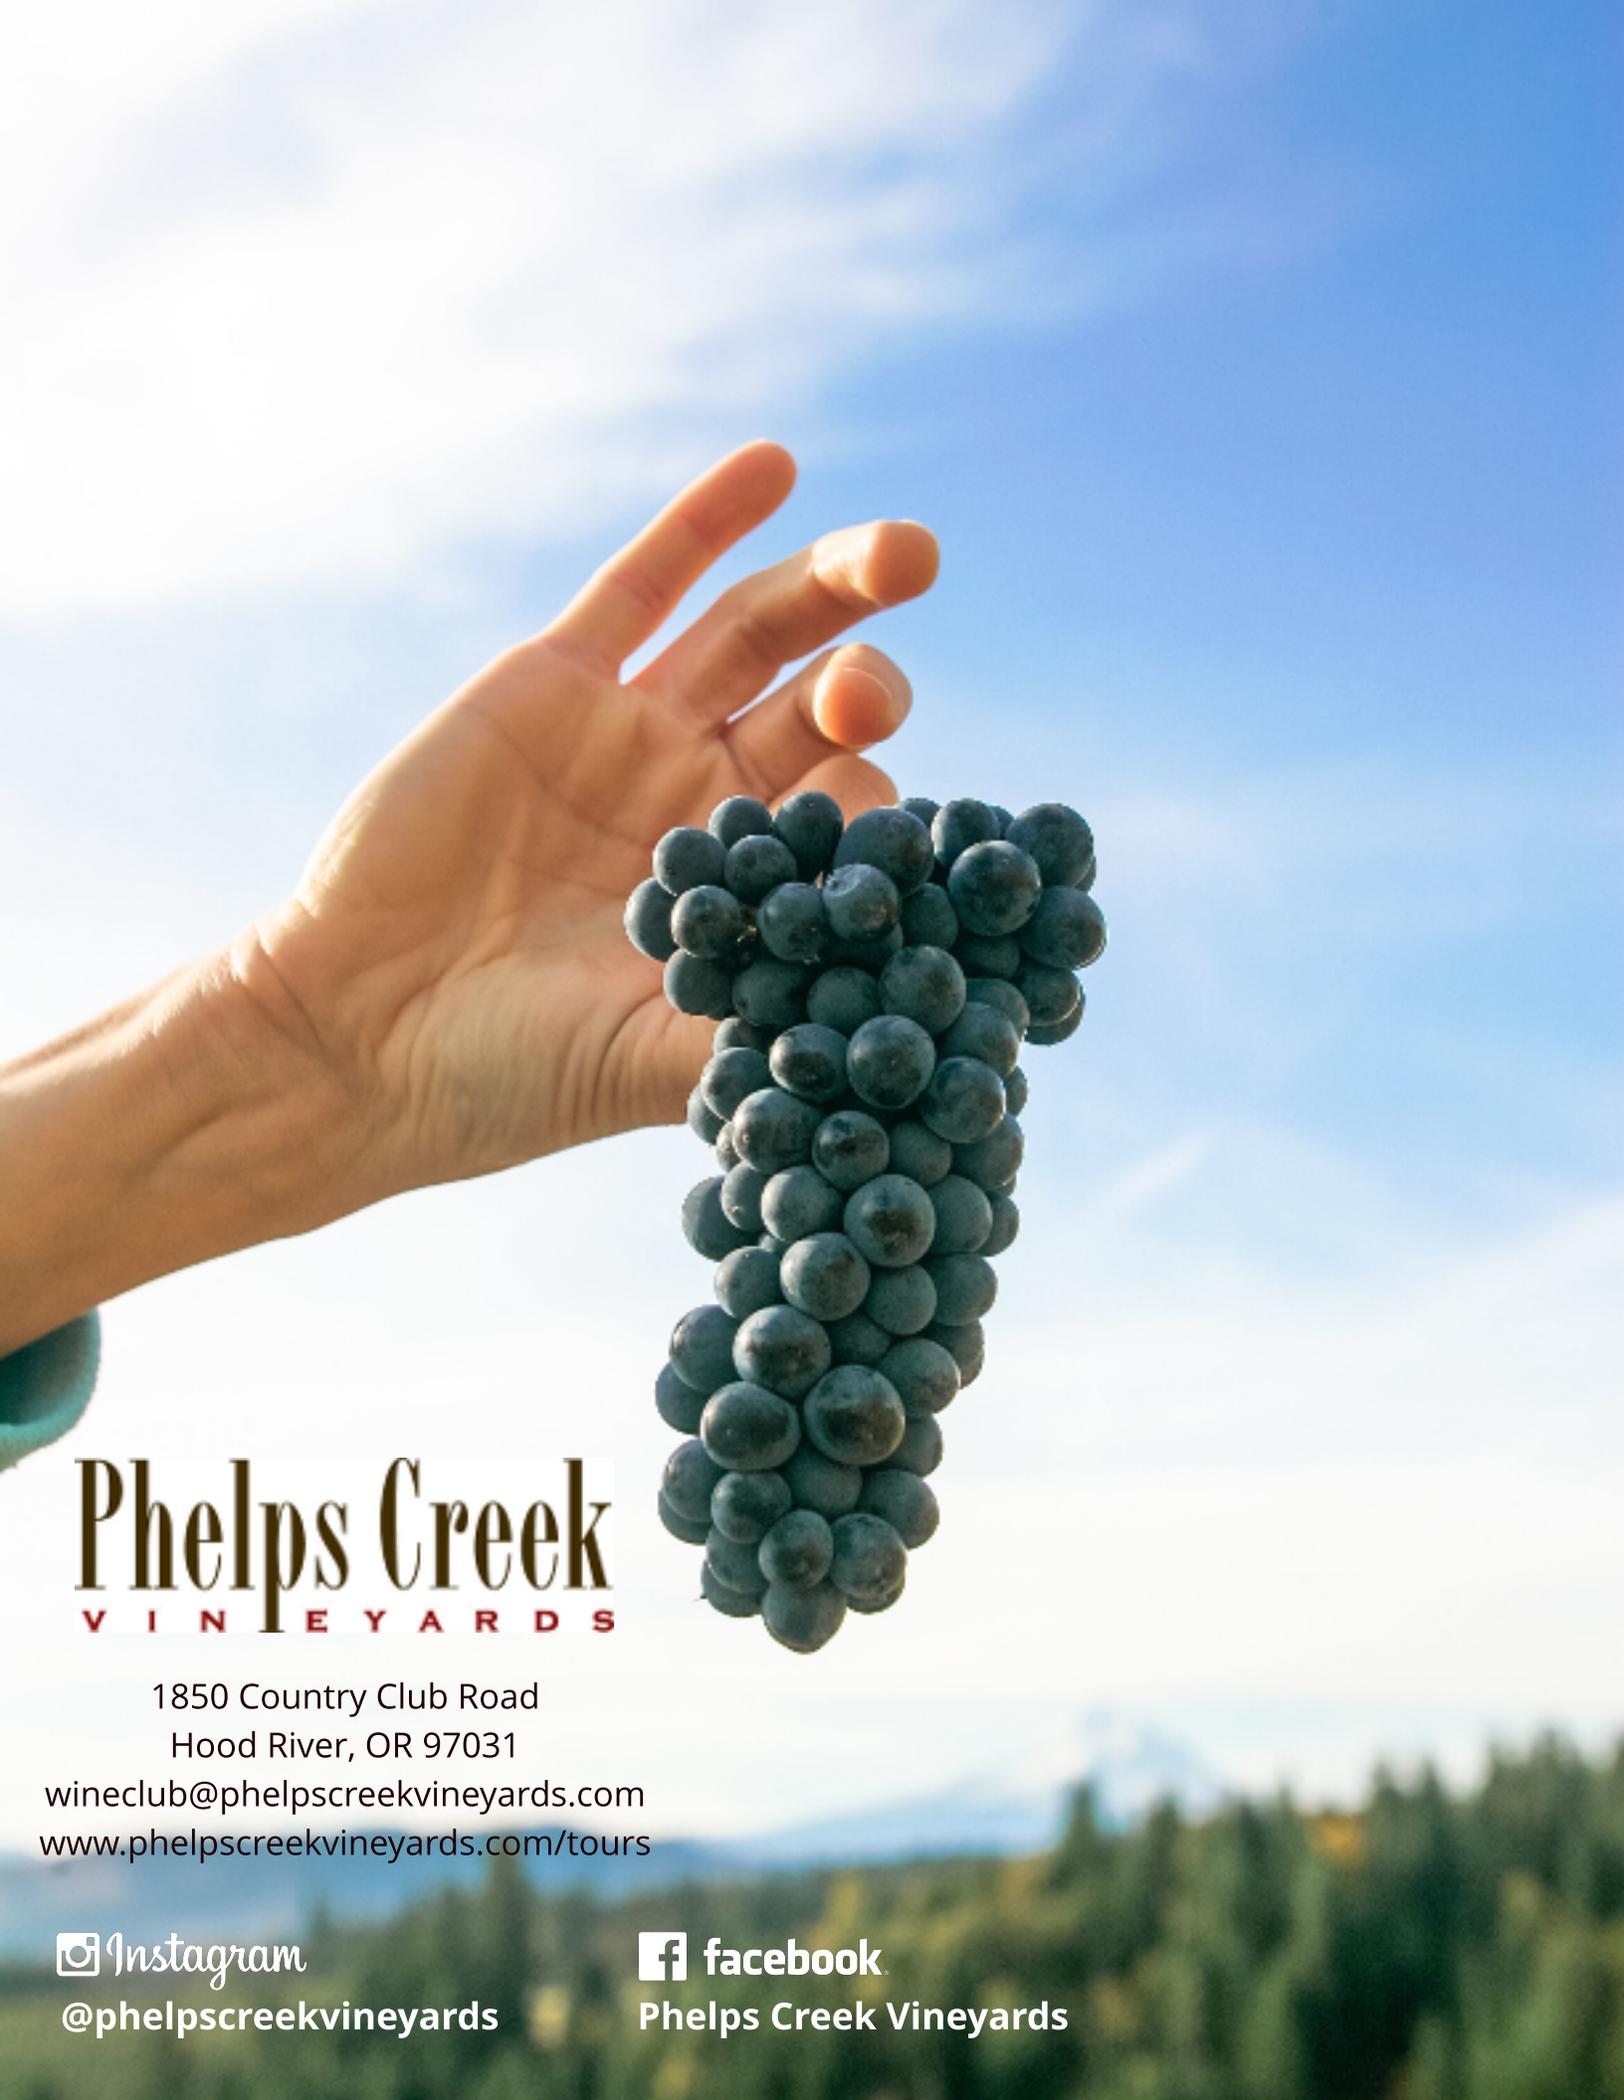

### **I canceled my wine club membership, am I still able to redeem my complimentary experiences?**

You do need to be an active member at the time of booking and on the day-of your visit in order for your experience to be complimentary.
